

Year 7 Geography revision

Scan the following QR codes with your camera for BBC bitesize links to revise the topics this year (or search BBC bitesize followed by the topic title):

My Spaces

What is geography:

Settlement:

Migration:

Natural hazards

Tectonic & weather hazards:

UK hazards:

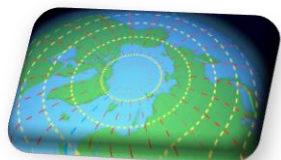

Mapping our planet

Continents:

Longitude and latitude:

OS maps skills:

Rivers

Processes and landforms:

Flooding and management:

You could also search for these topics on Seneca or Youtube. If you prefer books, we recommend the KS3 CGP geography revision guide, but any KS3 (or GCSE) geography revision guide would be fine:
