

SCIENCE

SCHOLAR AWARD

Celebrating curiosity, commitment, and independent engagement in science

This award will show you have developed skills in:

- **Self-Motivation** – Take initiative beyond lessons
- **Curiosity** – Explore science independently
- **Organisation** – Manage time and tasks effectively
- **Communication** – Present ideas clearly and creatively
- **Teamwork & Leadership** – Collaborate and lead in STEM Club
- **Resilience** – Complete long-term challenges
- **Real-World Engagement** – Connect with science outside school
- **Portfolio Building**

To gain the award you must complete five of these challenges:

-  **Science Book Review Display**
-  **Enter a National Science Competition**
-  **Attend a Live Science Lecture**
-  **Design & Deliver a STEM Club Session**
-  **Scientist Research Display**
-  **Museum Exhibit Study**
-  **Science Model & Family Podcast**
